MUD RACING NO DETERRENT

People Turn Out in Droves at the Fair Grounds.

Manoevre Defeats Slippery Elm in the Feature Race—Dearie Takes a Purse at Last.

NEW ORLEANS, La., February 27.—The Riverdale Stable's Manoevre continued on his winning way and made it a clean score for the meeting when he accounted for the Pontchartrain Handicap of $1,500, featuring the card this afternoon, and finished in advance of Slippery Elm and Rep. Barracuda being the only other starter. It was the fourth essay that Manoevre has made here this winter and all of which he won, his successes comprising two victories at Jefferson Park and a double at this thrack. His triumphs were in the topnotch division. The track, following hard rains since Saturday night, was a difficult one to traverse, but he was suited by the heavy going and, taking command after having some early difficulty while racing around the others, won by a safe margin, although Silppery Elm was forcing him to his top pace. He was an outstanding favorite and received confident support.

Carnival visitors by the thousand augmented the regulars here today, resulting in the best early in the week attendance of the meeting, in spite of the threatening and cold weather. Betting activities were also of the heavy style and as favorites and second choices made a clean sweep of the races the layers suffered extensively. Small fields were the general rule as a result of the changed going, and in most instances entertaining sport developed.

The first half mile dash for two-year-olds of this meeting resulted in a victory for William Woodard's Dearie. Incidentally it marked the first purse of the meeting for this owner. Lilac Time was a bit more in demand than Dearie, but the latter got a bulge on the first turn and the advantage stood her well, for she was able to outstay Lilac Time to win by a scant half length.

Drummond, which had been patched up and mended ever since the spring meeting at Bowie, was primed for a coup this afternoon and he made good from some inferior ones that started in the second race.

Monastery was favored by good racing luck in the third race, enabling him to get home in advance of Bristow and Promising Tom. There would have been an entirely different result had Camouflage, the leader in the early racing, not bolted on the stretch turn when seeming the winner.

GRAY GABLES EASY VICTOR.

Gray Gables, another outstanding choice, had little difficulty in getting home in front in the fifth race, but he was aided by the skillful ride he received from Garner. Gain de Cause showed a good performance in overhauling Tantalus for second place.

Marie Maxim allowed Sister Flo to lead her for three-quarters, then raced into the lead and won with ease in the sixth race.

The closing race fell to John Arbor after a hard drive through the stretch to outstay She Devil. John Arbor was heavily backed and his victory was a hard jolt for the layers.

This afternoon the stewards were said to be investigating the operations of a local man who is known to have been wagering heavily this winter. The officials declined to discuss the matter until after completing their investigation.

There will be a general exodus of horses to Mobile beginning Wednesday morning. The Mobile promoters are meeting with a hearty response from the horsemen and there are a few more applications for stalls than are available.

R. T. ("Dick") Watts will send Murphy to Mobile, but will reserve May Bodine for Kentucky racing. She will be sent to Lexington this week. Murphy should pick off a few of the races over the distance of "about" five-eighths of a mile at the Alabama track and the closer the "about" means to five-eighths the better he will like it.

Trainer, W. Livingston has taken over the L. T. Bauer horses and will look after their conditioning in the future. He succeeds J. P. Smith, who held this position for a year or more.

BAN ON COLUMBIA TENN.

Starter A. B. Dade placed the ban on Columbia Tenn following his bad behavior Saturday, when he delayed the start for twenty-two minutes. Dade was forced to take similar action at Lexington, Ky., last autumn, but relented at the Fair Grounds and gave the horse another chance. He raced fairly well twice after being reinstated, but was at his worst Saturday.

Raymond Looney, son of James Looney, Lexington, Ky., horseman, was an arrival for the windup of the race meeting and the Mardi Gras festivities.

Mose Lowenstein was the first owner to get away for Kentucky. He sent his stable to Lexington Saturday.

J. B. Campbell will serve as racing secretary at Mobile, in addition to occupying a position in the stewards' stand.

For the first time since he acquired a racing stable Cornelius Fellowes will participate in the sport in Kentucky next spring. Trainer Tom Harmon will ship the Fellowes horses to Lexington as soon as he can get an express car, following the close here.

R. L. Rodgers' and J. S. Ownbey's horses depart for Churchill Downs Wednesday night. John C. Ferriss will send the George J. Long stable at the same time, if a promised express car is delivered to him on schedule.

Jockey Harry Thurber, who was banned at Jefferson Park, following the discovery of an irregularity in the registered ownership of the horses Lampus and Brush Roy, was granted a riding license by the Fair Grounds stewards today and rode during the afternoon. He was restored to good standing Saturday by the Jefferson officials.

Jockey T. Nolan will accompany trainer A. C. Blakely to Havana next Saturday and do the bulk of the riding for him at Oriental Park. In addition to Lighter and Costigan Blakely will take three other horses, Silent King, Olympus and Archive.

The Carl Weideman stable, in charge of trainer George Land, will be sent to Lexington the latter part of this week. T. F. Devereaux will ship his horses in the same car.

H. T. Griffin departs for Hot Springs, Ark., tomorrow night for a brief rest before proceeding to Louisville, where the main division of his stable is in winter quarters. Jack Adler also will leave for the Arkansas health resort tomorrow night.

District Attorney Robert Marr, after remaining passive since the first week of the meeting here, again took up his crusade this afternoon and caused to be filed informations against eleven layers and thirty-three others. They will be charged with bookmaking, operating a device. The trials of Tom Shaw, "Frisco" Gardner, Remy Door and Jack Sheehan are slated for Friday.

In order that the racing patrons will be enabled to witness the Mardi Gras parade the first race tomorrow will be called to the post at 2:45 o'clock, one-half hour later than usual.

Jockey A. Gantner returned to the saddle today after a week's absence, due to illness. He had a slight attack of influenza and was in a hospital for several days.

BAD PITCHER-BETTS BILL

Measure Before the Legislature at Albany Without Reason or Fairness.

NEW YORK, N. Y., February 27.—The Pitcher-Betts bill, which would put a tax of 6 per cent on gross racing receipts of the running tracks of New York State, is only a modification of the measure which failed last year when it was shown by the racing authorities that it was unfair in principal and appplication, and that its enactment would help to cripple the horse breeding industry.

Figures were presented at Albany at that time which showed that under a 12 per cent tax on gross receipts tracks operating under the jurisdiction of the Jockey Club—there are no other running meetings in this state—would have been conducted at a loss. In the case of the Westchester Racing Association there would have been a deficit of $42,000 in 1918, a surplus of $12,000 in the banner year of 1919 and a deficit of $54,000 in 1920.

The racing industry is already taxed abundantly with a local levy on realty, a personal property tax, a state foundation tax of 4½ per cent on net income, a license tax, and the federal income tax of 10 per cent. Further taxation would remove the source from which stakes and purses must be derived, and there would be no funds forthcoming for the upkeep of the splendid courses contiguous to New York and at Saratoga, where the racing tests so essential to breeding are conducted.

Under the provisions of the Pitcher-Betts bill trotting tracks are exempt from taxation, nor is there mention of a tax on baseball, wrestling or any other sport.

There has been an apparent desire to convey the impression that the racing associations are content to pay an additional burden to the taxes already carried.

At the offices of all the racing associations yesterday there was decided opposition to the provisions of the Pitcher-Betts bill. They all felt that any increase in their present burdens would work keen injury.

The Jockey Club, owning no race courses, and whose function is the regulation of racing and the formulation of rules governing the sport, could do nothing but deplore any movement which would have a harmful effect on turf sport.

BE FRANK'S FINE RACE

His Victory in the Rich U. S. Grant Hotel Handicap a Sparkling Performance.

TIJUANA, Mexico, February 27.—Is Be Frank destined to join the list of illustrious thoroughbreds which have won $100,000 or more in America? A good horse he was Sunday, and it was in victory, too. Showing a return to the high-class form he displayed when he won the Latonia Derby and Latonia Cup as a three-year-old, and the $20,000 Coffroth Handicap here last year, this six-year-old son of Sir John Johnson—Frankness ran a grand race to win the $10,000 U. S. Grant Hotel Handicap at one and one-eighth miles. Furthermore, he carried top weight of 130 pounds and won impressively.

Popular was the victory of this big slashing gelding from the Bronx Stable, owned by George Palmer Fuller, California millionaire sportsman, for Be Frank was favorite. His victory over Breeze, from the stable of Mrs. G. S. Abbott, was only by a nose, but this does not tell all, for had it been necessary Be Frank probably could have shown clear daylight between himself and his rival at the end. Like a peal of thunder was the spontaneous outburst of applause to greet Be Frank as jockey Carter saluted the judges from the "charmed circle."

Every road seemed to lead to Tijuana yesterday. The special race trains, which were operated from as far north as San Francisco, brought heavy attendance, while the motor transportation was much greater than ever before recorded at this meeting. The stage settings were faultless, a bright sun beaming down on an enthusiastic crowd which filled all the space in the stand, on the lawn and in the clubhouse. Tijuana was at its best and it expected a race which would do much to perpetuate the fame of the border course. The U. S. Grant Hotel Handicap was all of this.

If ever there was a true run race it was the U. S. Grant Hotel Handicap and no excuses were made for any of the defeated thoroughbreds. The only slight jar to the event was that the start was not good for Omond, which seemed to dwell just as starter Harry Morrissey sent them away in good formation. As the field of eight performers swept past the grandstand for the first turn the brilliant sun sent it rays shimmering from the colorful silks of jockeys. Mulciber was taken to the front by jockey C. Thompson. Right behind him was Breeze, his 108 pounds seeming to suit him. Rifle was third and jockey Carter got a good fourth position for Be Frank. At the half Mulciber was the leader by two lengths. Breeze was still a good second and Be Frank was under restraint in third position. The positions of the leaders were unchanged at the three-quarters and it was noted that Mulciber was beginning to tire, but that Breeze and Be Frank were running smoothly.

FINISH CLOSE AND EXCITING.

The field turned for home and this was all the route Mulciber desired. He fell back and allowed Breeze the position of honor. Be Frank was within striking distance and third. Midway of the stretch the big son of Sir John Johnson began to lengthen out his stride. He was closing the gap between himself and Breeze. Then he caught Breeze and for a few strides they raced head and head. Breeze, with victory almost within his grasp, tired a trifle in the last stride and the big fellow from the Fuller string then forged to the front. As they passed the finishing line jockey Carter was seen to have Be Frank well in hand. He never drew his whip and the winner won with speed in reserve. In third position was East Indian, which had followed just behind Be Frank for most of the distance. Mulciber finished fourth. Omond, which dwelt at the start, made up much ground, but never was a serious contender. The others were badly beaten off.

It was an extremely fitting victory for the Fuller family, for previous to the race Mrs. George P. Fuller had accepted the invitation of president James Wood Coffroth of the Tijuana Jockey Club to crown the winner. Naturally she hoped it would be Be Frank, her husband's big train, and when this came true her face was wreathed in smiles as she daintily lifted the floral horseshoe over the graceful neck of the thoroughbred.

Leon Wing, racing secretary, offered a card of nine races and in most instances formful racing was in order. Five favorites scored and the big crowd was kept right on edge until the finish of the last event.

VETERAN AT LONG ODDS.

A handicap at three-quarters mile fell to Veteran, and he paid the longest price of the afternoon, $35.20 for each $2 mutuel ticket. Veteran caught the leader, Huron II., tiring and drew out to win as jockey Donohue desired. Planet was installed favorite. The colt was in close quarters on the backstretch, but when in the clear came fast and was easily second best. Roisterer was third.

Even at this early date president Coffroth is arranging for special trains from various points in the Southwest and Northwest for the $20,000 Coffroth Handicap, to be run March 19. Be Frank is eligible and his victory of Sunday stamps him as the most formidable candidate.

Mat Hinkle, well-known boxing referee of Cleveland, and a party of friends arrived yesterday and will be here for a week.

John Dupee, retired stockbroker of Chicago, who now makes his home at Coronado, was host to a big luncheon party in the clubhouse.

There were two claims yesterday. F. R. Irwin took I. W. Harper for $800 and his brother, C. B. Irwin, claimed Dainty Lady for $1,400. C. B. Irwin also purchased the colt Plow Steel, by Honeywood—Decency, from Stuart Polk Sunday morning. It was at private sale and the consideration was not announced. Plow Steel ran in Irwin's colors yesterday afternoon, but failed to get any part of the purse in the first race, which was won by Bill Head.

OLD ROSEBUD TO RACE THIS YEAR

HAVANA, Cuba, February 27.—Frank Weir, who is racing a small stable here with some success expects to race Old Rosebud on the eastern tracks in the spring and believes the old campaigner will last another year. Old Rosebud, according to reports received by his owner, is wintering in great condition at Gravesend and will be ready to carry colors at the Aqueduct meeting. Caimito, Forge Ahead and Sun Girl are the only horses in the Weir stable here and he is undecided as to what he will do with them after this meeting. He may decide to leave them on the island all summer.

HAVANA MEETING NEAR END

Only Four More Weeks Remain With Closing Day March 26.

Most Valuable of Stakes Yet to Be Run—Cuban Derby Concluding Feature.

HAVANA, Cuba, February 27.—The Oriental Park season of racing has but four more weeks to run and the long winter meeting will terminate on March 26. Four stakes are yet to be decided and three of them constitute the most important and valuable of the twenty-two of the stakes offered. The combined added money value of the four remaining stakes amounts to $43,000. They are the Union Club Handicap of $3,000, to be run March 5; the $15,000 Grand Prize of Cuba, to be run March 12; the Cuban Produce Stakes (first part), to which the Cuban government donates the $10,000 added money and which will be decided March 19, and the $15,000 Cuban Derby, which will be the concluding day's big feature. These important events will make the concluding weeks notable ones and serve to maintain right up to the closing day the wonderful interest that Havana racegoers have been displaying in the meeting.

B. F. Mosler of Newark, N. J., and Dr. G. H. Dorsey of Great Neck, L. I., who jointly own several hundred acres of good grazing land near Oriental Park, are making preparations to care for a large number of horses that will be left in Cuba at the close of the meeting. Quite a number of owners who intend resting their horses have signified an intention of turning them over to Messrs. Mosler and Dorsey until next fall. Colonel Baker is among the number and he has already concluded arrangements for leaving in Cuba a number of his least valuable racers.

Joe Dillon, the flyweight pugilist, has decided that there is no money to be made fighting in Cuba and has definitely abandoned the squared circle in order to try his skill as a jockey. He is now galloping horses for O. L. Foster. His weight is ninety-five pounds and he believes that with a little experience as an exercise boy he will be fitted to enter the ranks of the jockeys.

RETURN TO SPORT OF SAM HARRIS.

Sitting on the spacious balcony of the Oriental Park clubhouse and taking in the sport as a mere spectator failed to satisfy the cravings of Sam Harris, the theatrical magnate and former partner of George M. Cohan in many theatrical enterprises. The sight of the horses speeding around the track took him back to the days of over fifteen years ago, when in partnership with Paddy Sullivan, brother of "Big Tim" Sullivan, he raced a good stable of horses, and filled him with a longing to once again become an owner and feel the thrill that comes only when one's colors flash by the judges the winner of a race.

Yielding to his impulse Mr. Harris decided to again embark in racing, and it was not long before he had concluded arrangements for the purchase of True Flier, a filly by Pennant—Ruth Law, the best of the youngsters that Mose Goldblatt has in charge for H. P. Whitney. A few days later Mr. Harris had the pleasure of seeing his new purchase score a victory in the Juvenile Stakes and hang up a new track record for one-half mile.

Previous to leaving here last week for Palm Beach Mr. Harris arranged for Mose Goldblatt to train his filly until Jerry Carroll arrived from New Orleans to take charge of her. Carroll will take the filly to Havre de Grace after this meeting and will race her on the Maryland and metropolitan tracks. Harris expects to secure a few more horses for the spring campaign.

It was only fifteen years ago that the red jacket and green sleeves of Harris & Sullivan were carried by such good horses as Sadie S., Oclawaha, Isia, S. H. Harris and others, which were trained by Tom Hughes, who later entered the employ of W. K. Vanderbilt and went to France. Jerry Carroll used to ride for the stable, as did also Johnny Bullman and S. Waldo.

The proposed visit to Cuba of General John J. Pershing has been delayed, and he is not expected to arrive until March 10. During his visit here the noted American soldier will be the guest of his close friend General Enoch Crowder, and he will be entertained lavishly by the American colony and the Jockey Club.

CURRENT NOTES OF THE TURF

The Italian Jockey Club proposes to lay out a course in the neighborhood of Milan somewhat on the lines of the popular Paris rendezvous, the Bois de Boulogne.

The French trainer Freeman has left the service of the Spanish owner Count de la Cimera, and the place will probably be taken by Henry Count's brother. Clout has been engaged as first jockey to the stable.

Albano, the crack Spanish mare belonging to the Marquis Aldama de Ussia, met with an accident during the winter and will race no more. She was the best handicapper in Spain and French-bred by Badajoz—Alcove.

The early February weather on the other side has been terrible for racing. Training in France and England was virtually stopped for days, and the opening Auteuil jumping meeting was ruined, and the English sessions at Manchester and Hurst Park had to be abandoned.

That fine New Zealand rider Hector Gray is on his way to England again to ride for Sir H. Cunliffe-Owen. This is to be his last season as a jockey. Gray is a good general horseman and will train a stable at Newmarket next year and probably have his present employer's horses.

R. T. Wilson, president of the Saratoga Association, has been called suddenly to Berwyn, Pa., by the serious illness of his eldest daughter, Marion. She is visiting at the home of Mrs. E. B. Cassatt and is dangerously ill with double pneumonia.

FARMERS SEEK RACING AID

Maryland Agricultural Fairs Stoutly Support $10,000 Daily Tax Measure.

BALTIMORE, Md., February 27.—Representatives of the Maryland Assoication of Agricultural Fairs, Incorporated, last week urged the senate committee on finance to pass the proposed amendment to the Burke racing bill, which will change the fees to be paid by mile race tracks from $6,000 a day and 15 per cent of the net profits to a straight license fee of $10,000 a day.

This, it has been calculated, would increase the total amount paid yearly by the race tracks by about $115,000, and the amendment provides that $100,000 of this increase shall be divided equally among the twelve county fairs represented in the associations. It was explained that none of this money could be used in paying dividends.

Members of the committee added spice to the hearing by constant efforts to get speakers representing the fairs to say whether they thought public sentiment would justify the senators to vote to retain legalized race track betting, even if agriculture should be benefited. Most of the speakers sidestepped the question, saying that was a matter for the senators to determine for themselves, that what was under consideration was giving them a slice of the proceeds if racing were permitted to continue, as they believed it would be.

The general tenor of the speakers was that the agricultural fairs are struggling and need money to pay higher premiums, which would greatly stimulate agriculture. Special stress was laid on the encouragement of boys' and girls' clubs. It was pointed out that a bill for a direct appropriation for fairs was passed two years ago, but that Governor Ritchie felt compelled to veto it because it did not provide for raising the revenue. It was asserted that the bill was not sponsored by any racing association.

NEW BELMONT PARK STABLES

Those Destroyed by Fire to Be Replaced—Horses Begin to Work.

NEW YORK, N. Y., February 27.—Stables 2 and 16 at Belmont Park, which were destroyed by fire several years ago, are to be rebuilt within a short time, according to present plans of the Westchester Racing Association.

The fire which destroyed stable 16 in April, 1917, resulted in the death of twenty horses, the property of the late Schuyler L. Parsons and H. K. Knapp. The fire was believed to have been of incendiary origin.

Nearly all of the stable room now available at Belmont Park has been assigned for the spring season and late applicants for room at the course will probably experience considerable difficulty in obtaining accommodations.

Superintendent H. I. Pels will start work on the main course at once, so that the track will be in condition for training work as soon as possible. Until the frost is out of the ground only the outside portion of the training track will be used for workouts.

The first outside work of the year at Belmont Park occurred Friday afternoon, when trainer Thomas Welch gave several of his horses some exercise over the training oval.

TO SEE DUETTISTE IN GRAND NATIONAL

NEW YORK, N. Y., February 27.—J. E. Widener, whose veteran jumper, Duettiste, will, bar accidents, run in the Liverpool Grand National Steeplechase March 24, plans to sail for England March 11. He will probably be accompanied by his steeplechase trainer, J. Howard Lewis, who developed Duettiste in this country. Lewis is anxious to see his old favorite perform in the big English jumping classic.

Trainer Escott, who has the Widener jumper in charge at Lewes, England, is quoted as saying that Duettiste is one of the best jumpers he ever handled and his son Anthony, whose experience with English steeplechasers is also wide, is much impressed with the veteran's quality. Both have declared Duettiste's chances in the big event second to none.

This is praise indeed for the old American gelding's quality. Escott trained Poethlyn, which ranked as a champion in his day—1918 and 1919. In 1918 Poethlyn won the Gatwick substitute Grand National Steeplechase and in 1919 was first in the real thing at Aintree, for which he was the shortest priced favorite to ever win the English jumping "Blue Riband."

SECOND IRISH GRAND NATIONAL HOPE

There is a second Irish hope to Zenon in the Grand National. It is Bohenore, nicely balance at 142 pounds and thoroughbred, though unfashionably so. He is a gelding, nine years old, a stayer and a bold jumper. Bohenore won the Irish National and Prince of Wales Handicap at Punchestown last year and has raced over and knows the Aintree course.

CURRENT NOTES OF THE TURF

Saratoga investigation has uncovered the fact that the recent fire was caused by predatory tramps who had broken into the Hitchcock barn after evading the watchman.

Mrs. Rudd, the American woman racing in England, lost a good filly a few days ago. It was Jolly Cosy, a gray, four years old, by Grey Jersey—Lady Strong. She dropped dead while walking in a Wantage paddock.
